EXHIBIT (3D)

Dear Mr. Brown,

This is a formal letter requesting that you put me on your S&CB Register at Chichester District Council.

Please note:-

- I have lived in your district as a rate payer for nearly 14 years, so I satisfy your 'Local Connection' criteria.
- I own my own 9 acre landholding in Loxwood, in a residential location adjoining other homes, in a road where other Self Built homes have recently been built, all of which are just outside the present settlement boundary.
- I have the necessary funds to build a house of the size I envisage, without the recourse to borrowing.
- I intend to start my Self Build as soon as planning consent is granted.
- I have undertaken several self-builds in the past and have the experience and professional qualifications to undertake such a venture.

Please kindly confirm in writing that I have been placed on the register.

Yours sincerely,

William MacGeagh
