

CDC Review document designates East Wittering as “Non Rural/Urban. Rural England classify the same area as Agricultural, either “Good to Moderate” or “Very Good”. In no way can the area be classified as anything other than agricultural.

### Agricultural Land Classification from Rural England

Appendix B – Designated Rural and Non-Rural Areas

Map B1 – Areas designated as Rural and Non-Rural Areas

These bales didn't come from an Urban area. They came from the fields in East Wittering – an agricultural area.

View looking north to the Downs – everything in the fore ground is in East Wittering. Hardly an Urban area.

View from coast looking roughly NW over East Wittering. How can this be classified as “Urban/Non Rural”?

View from Google Earth with **very rough** boundary shown in white. Hardly Urban/Non Rural.
