5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The plan is not sound in that it is unsustainable in relation to transport links. (see p13200)

WSCC Area Transport Strategy (ATS) 7.47 recognises that rural bus services are not frequent and do not present an attractive alternative to private car use. ATS 7.46 describes rail transport as typically slow and uncompetitive with travelling by private car. There is no rail service within reasonable distance of the development so traffic is likely to increase substantially with consequent impact on the environment. (Continue on a separate sheet / expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate

is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Modification of the plan to reduce or cancel the development to a level consistent with public transport infrastructure capacity to protect the environment of the village.

(Continue on a separate sheet /expand box if necessary)

Please note In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.
