The landowners of the Land east of Clay Lane, as edged red on the attached plan, wish to confirm their support for the proposed numbers in Fishbourne in Policy SA9 and reconfirm that their land is available for residential development. The land has been identified in the 2018 HELAA as developable for 23 units and could be considered developable as part of a wider strategic allocation, east of Fishbourne. The site has no significant constraints other than being located outside of the Settlement Policy Boundary and therefore considered countryside in line with current policy.
