The landowners of land north of Maudlin Farm, edged red on the attached plan, wish to make comment on the housing requirements for Westhampnett in the draft Chichester Local Plan. They wish to reiterate that the land is still available for development.

The site is approximately 14.1 hectares in size and has frontage onto Old Arundel Road. The site has no significant natural constraints other than being outside of the Settlement Policy Boundary and considered to be countryside. The site is able to accommodate a development of 250 units of which the mix and type will be policy compliant. We wish for Chichester to consider the land north of Maudlin Farm as being suitable for development should the requirement for Westhampnett increase.

(Continue on separate sheet if necessary)

What improvements or changes would you suggest?

The housing requirement for Westhampnett should be increased during the Local Plan review and sustainable sites such as Land at Maudlin Farm should be considered developable in accordance with the objectives set out in the NPPF
