The landowner in control part of allocation AL14, edged red on the attached plan, supports the inclusion of the allocation in the Local Plan and the land is available for residential development. However, he wishes to make clear that the land has an independent access with frontage to an adoptable highway and therefore can come forward separate or prior to the allocation. The site is approximately 7.6 hectares in size and could accommodate approximately 200 units which would be at a policy compliant mix or type.
