We welcome the identification of Tangmere as a 'Strategic Development Location'. This recognises the range of key services and facilities located within Tangmere (ref. Appendix 1 of the Settlement Hierarchy Background Paper (December 2018) and the potential role Tangmere will play in delivering the full local housing need for the District.

Notwithstanding the above we wish to draw the Council's attention to the potential to deliver additional housing within and adjacent to the proposed allocation for 1,300 dwellings, should the District housing target increase over the course of the Local Plan review.

(Continue on separate sheet if necessary)

What improvements or changes would you suggest?

We support the policy objective to deliver a mixed-use development through the Strategic Allocation at Tangmere. There is also potential to further increase the number of houses and associated infrastructure as part of a wider site area. The extent and location for further growth to the Strategic Allocation is under review. Our initial assessments indicate a potential increase in the size of the allocation would deliver in the region of 1,500 dwellings.
