Have Comments ☐

Enter your full representation here giving details of your reasons for support/objection:

- the proposed development will alter the nature of a small friendly village in a rural setting - the current village will be swamped by large housing estates.
 - views from Southover Way and Church Lane will be ruined
 - it is unthinkable to build on agricultural farmland
 - the impact of another 500 cars will add to the already clogged up roads and cause more pollution
 - this building will adversely affect wildlife and habitats
- (Continue on separate sheet if necessary)

What improvements or changes would you suggest?

- build on suitable brownfield sites
 - do not ruin a long established small village in a rural location - what evidence is there for this amount of houses being needed?
 - build if absolutely necessary on fields just before the new school not swamping already established housing in the village & spoiling the rural location & views over the copse.
- (Continue on separate sheet if necessary)
