Sewers already inadequate - Southover Way residents often troubled by back-up in their toilets especially in winter. Fields opposite Spotted Cow flood in winter. High Trees road regularly flooded - no provision of street drains even when resurfacing done a few years ago. Pot holes abundant.

What improvements or changes would you suggest?

Repair roads. Instal more drains. Reduce traffic congestion especially when Free School opening & closing. Provide more parking for Staff etc. at Free School & more buses for pupils anyway. Stop mineral extraction in area & number of heavy lorries & tractors through village.

Declaration

I understand that any comments submitted will be considered by Chichester District Council in line with this consultation and will be made publicly available on their website

www.chichester.gov.uk and may be identifiable by my name or organisation, if provided.

Enter your full representation here giving details of your reasons for support/objection:

New school places for primary children needed now - Mundham school has been full for years & no school in Hunston. Foot paths along Mundham road narrow & dangerous with volume of traffic. No footpath along B2145 between substation & treeschool & no street lighting on that stretch.

(Continue on separate sheet if necessary)

What improvements or changes would you suggest?

Better pavements & better lighting. More cycle paths to Chichester Sidlesham & Selsey. Provision of public toilet in Hunston, & cash machine for use when Post Office closed. No cash back available in pub & newsagent.

(Continue on separate sheet if necessary)

Declaration

I understand that any comments submitted will be considered by Chichester District Council in line with this consultation and will be made publicly available on their website www.chichester.gov.uk and may be identifiable by my name or organisation, if provided.

Enter your full representation here giving details of your reasons for support/objection:

Wildlife is precious round here already. Skylarks used to be abundant in wheat fields here. All gone now & wheatfields to be built on & green pastures to go as well. Wild flowers & insect levels will be reduced, pollination of crops affected. Pollution from roads gets worse. Crossing of roads is a nightmare even now.

(Continue on separate sheet if necessary)

What improvements or changes would you suggest?

Keep green fields as they are now. Stop Cardine's Dairy & Church Commission selling them over our heads. Foxbridge Farm & village Dairy long since gone & we miss them too. We don't want 200 houses. Perhaps 50 on brownfield sites at prices that can be afforded, especially for young & first time buyers

(Continue on separate sheet if necessary)
