Hunston Villages Copse is a very special blue bell wood amongst other joys of nature. Even a 30 metre margin would affect the air flow in the woods and destroy habitats. We need to remain rural & maintain the deer, hares, hedgehogs & other mammal population. (Continue on separate sheet if necessary)

What improvements or changes would you suggest?

<p>(Continue on separate sheet if necessary)</p>

If CDC can prevent people roasting coffee beans for 2 hours a week in St James industrial estate due to pollution surely they cannot condone more traffic polluting the environment and reducing the lichen in my rural village & changing it historic views! (Continue on separate sheet if necessary)

I came to live in the rural village of Hunton more than 30yrs ago. I do not wish to live in an extension to Chichester or any other development which would change the identity of the village. The B2145 is over used already & the side road inadequate for the volume of traffic. (Continue on separate sheet if necessary)

What improvements or changes would you suggest?

I often have to wait to get on to the B2145 from Little Bowtons. Twice I've nearly had a head on with someone going South & overtaking the wrong side of the bollards as I've turned Left. The roundabout at the North end of the village is also a nightmare with increasing traffic from Bognor. The peninsula can not take any further traffic when the farm vehicles are also getting larger & increasing too. (Continue on separate sheet if necessary)

What improvements or changes would you suggest?

Put in traffic lights outside the Hunston Village Hall for the crossing to the playing fields. This might help slow the traffic which does not understand 30mph. (Continue on separate sheet if necessary)
