3. To which part of the Local Plan does this representation relate?

Paragraph	1.17	Policy		Policies Map	
-----------	-------------	--------	--	--------------	--

4. Do you consider the Local Plan is:

4.(1) Legally compliant	Yes	☐	No	☐
4.(2) Sound	Yes	☐	No	☒
4 (3) Complies with the Duty to co-operate	Yes	☐	No	☐

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Not sound because it cannot be effective to make decision based on incomplete or out of date plans without making additional enquiries of local residents and land users who have a better understanding of the local area.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Change the plan to add the text in blue

1.17 Having an up-to-date local plan strategy in place is essential for successful neighbourhood planning as it sets the context for development in the area. **Working with parish councils, in compliance with the principles set out in the statement of community involvement is a legal requirement for the council and it would be inappropriate for the council to override existing neighbourhood plans with material increases in house building targets (e.g. increase around +30%) unless there is strong local support evidenced by a local referendum with representative participation rates.** Whilst it is possible for a parish to prepare and adopt a neighbourhood plan prior to the adoption of this Local Plan, this is likely to result in the neighbourhood plan becoming out of date in relation to land supply if it does not allocate the minimum amount of development detailed in this Local Plan. There is also a risk that the Local Plan will change following consultation or during the examination process, making the neighbourhood plan out of date.

Please note In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

☐

No, I do not wish to participate in hearing session(s)

☒

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing sessions(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

To understand who is making these decisions so I can express my opinion

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
