3. To which part of the Local Plan does this representation relate?

Paragraph	3.14	Policy		Policies Map	
-----------	-------------	--------	--	--------------	--

4. Do you consider the Local Plan is:

4.(1) Legally compliant	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
4.(2) Sound	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
4 (3) Complies with the Duty to co-operate	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Not legally compliant because it is incompatible with the Sustainability Assessment, P90, which warned of the risk of "over-development". 1,300 homes is not compatible with the neighbourhood plan for 1,000 homes. Tangmere Parish Council stated that there were 1,156 dwellings in the village so it is unjustified to increase housing by in excess of 100% in one village. Not sound to consider a 30% increase from 1,000 to 1,300 new dwellings because this represents an over-development through an excessive concentration in a single location to absorb 13%, or 1 in 8 new homes for the entire Chichester District, and represents an existential threat to Saxon Meadow.

CDC's 2015 local plan (para 12.58) and it incompatible with the post examination Tangmere Neighbourhood plan (para 1.5)

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Amend the plan as follows (blue text)

3.14 Outside Chichester city and its closest settlements, development will focus on the two settlement hubs (see Policy S2) within the east-west corridor at Tangmere and Southbourne. New development will **consider whether and how** the role of these settlement hubs as centres providing a range of dwellings, workplaces, social and community facilities **provides economic, social and environmental benefits over and above the retention of land for agriculture, or to address unmet demand for viticulture or horticulture**. Retail development of an appropriate scale will be supported to promote the vitality and viability and enhance provision at Southbourne and Tangmere centres

(Continue on a separate sheet /expand box if necessary)

Please note In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

☐

No, I do not wish to participate in hearing session(s)

☒

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing sessions(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

To suggest sustainable changes to the plan

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
