is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to program your suggested revised wording of any policy or text. Please be as precise as possible. before any proposed building by children formul is started, it is what the mater levels as the material water levels as the material water levels as the material and prime planning "as advocated to the R M et S is a carbinely implemented.	UL
(Continue on a separate sheet /expand box if necessa	ıry)
Please note in your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions. After this stage, further submissions may only be made if invited by the Inspector based on the matters and issues he or she identifies for examination.	P
7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?	
No, I do not wish to participate in hearing session(s) Yes, I wish to participate in hearing session(s)	
Please note that while this will provide an initial indication of your wish to participate in hearing sessions(s), you may be asked at a later point to confirm your request to participate.	
If you wish to participate in the hearing session(s), please outline why you consider to to be necessary:	his
	*
Please note the inspector will determine the most appropriate procedure to adopt to he those who have indicated that they wish to participate in hearing session(s). You may tasked to confirm your wish to participate when the inspector has identified the matters and issues for examination.	DR
